10 COMMENTS & RECOMMENDATIONS

The coaches would like to extend the stop time to the last two minutes of each half for future competition.

To improve the quality of the competition, it is suggested that for the restart, the ball should touch first the attacking team's own half of the court to avoid the ball being tossed back and forth by the goalkeeper. This is specially true for a small size court. However, the ball can be tossed directly to the opposing team's side of the court if the ball is in play.
